**SKY HIGH**  
 Let the colours of the sky above be your muse this spring, for there's nothing quite like the serenity of a true blue hue. Resene Midnight Express welcomes a cool and calming presence into your abode. With your foundation shade sorted, it's time to inject a little fun with playful pastels. Pair blue hues together with Resene Perano, Resene Portage and Resene Spray, or opt for cotton-candy shades inspired by early morning sunrises with Resene Belladonna, Resene Princess and Resene Pink Lace.

**SUGAR AND SPICE**

Make a statement within the home with sunset-inspired tones of rose pink, blush and terracotta. Let Resene Hopbush take centre stage in your bouquet of colour or up the ante with the warm vibrancy of Resene Sebedee and Resene Del Toro. Balance pops of pink, soft reds and orange with a welcome touch of pastel turquoise like Resene Keppel and enjoy the colours of the tropics from the comfort of your own home.

**Visit your Resene ColorShop for more inspiration.**

*Colours are depicted as accurately as the printing process allows. Always trial your favourites using Resene testpots before making your final choice.*
