**SAGE ADVICE**

Shades of green have long been synonymous with our emotional well-being, which is why adding Resene Cardin Green or Resene Amulet to your home will give an immediate self-soothing boost. For a touch of childhood nostalgia, seek out Resene Log Cabin, Resene Yucca, and Resene Bluegrass to give you all the grounding you need this season.

**IN NEUTRAL**

Whites, lights, and neutral colour palettes are a game changer this season. Perfect to pair with any colour palette, the minimalist hues create a statement alone or tonal shades complement each other for a striking look. Try Resene Barely There for a springtime tone that will freshen up any abode, or opt for Resene Anlaise, Resene Alamo, and Resene Sun to provide a hint of colour.
