STIPPLECOTE CEMENT PAINT

Weather Seals and Decorates in One Operation

- ★ In eight beautiful pastel shades and white.
- ★ STIPPLECOTE is made with a base of white portland cement.
- ★ Made in powder form, it only requires the addition of water.
- ★ Produces a hard durable surface which will resist all weather conditions.
- ★ Will definitely stop seepage.
- ★ Hygienic, odourless, an excellent light and heat reflector.
- ★ Can be re-coated at any subsequent period.
- ★ Very easy to apply.
- ★ Can be finished in a variety of surface finishes, e.g., brush finish, stipple, spatterdash, trowel, etc., though it is mainly finished with either brush or spray.
- ★ STIPPLECOTE is readily applied to the following surfaces –
Concrete, stucco, brickwork, soft stone, asbestos cement, all cement plaster surfaces, rough cast, fibre boards.
- ★ The addition of Cemstik to Stipplecote improves brushing, adhesion and durability.
