**Be PaintWise with Resene and we'll all benefit
from a healthier environment**

Bring unwanted paint and paint containers into selected Resene ColorShops and let us recycle or dispose of them responsibly. Resene will offer good quality paint to community groups for reuse and recycle packaging materials that are recyclable.

Selected Resene ColorShops have been designated as Resene PaintWise collection centres. Drop off your unwanted paint and paint containers to any of these designated ColorShops at any time during their opening hours.

You are welcome to bring back paint and paint packaging no matter what brand. A small charge applies to non-Resene branded product to help offset the costs of the PaintWise programme (\$1 per 4L can or smaller, \$2.50 per 10L pail).

The Resene PaintWise programme is run by the non-profit Resene Foundation funded by contributions from Resene, a small levy of 15c per litre on retail paint purchases and a levy on trade returns.

When dropping off paint and paint containers:

- Ensure paint is in its original correctly labelled container.
- Ensure containers are well sealed and will not leak.
- Leave small amounts of waterborne paint in its container, put out of reach of children and leave the lid off for the paint to dry then bring it in to one of the Resene designated PaintWise collection centres.

We cannot accept:

Paint thinners, solvents, aerosols or any other materials - dispose of these at a HazMobile collection. See www.hazmobile.govt.nz for details or contact your local council.

Due to safety requirements, paint and paint containers will only be accepted at the designated PaintWise collection centres during normal store hours. Sorry, paint and packaging returns cannot be accepted by any other Resene ColorShops.

For more information
visit www.resene.co.nz/paintwise.htm
or ask your local Resene ColorShop staff.
